Start talking. Share your experience.

- How do you value things?

READ: LUKE 15:8-10

Start thinking. Get into the Word.

Our first pillar in Experience Life is with PEOPLE. God is personal and wants relationship with Him. He loves it when we pray, seek, and communes with Him. Therefore, It is so important to that we are personal, build relationship, and continually maintain an attitude of loving people. We experience life with people through being personal, encouraging, and equipping.

- Read and discuss how these scriptures apply to the message. Hebrews 3:13, Mark 2:17, Ephesians 4:12, Hebrew 10:24-25, and Jude 1:20.

Start sharing. Choose a question(s) to create openness.

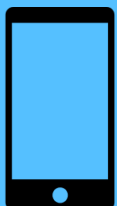

- As you reflect on the message, what is one principle that stood out as helpful, insightful, or difficult to grasp?
- What is the key to being compassionate towards others?
- How can you provoke others to speak life and be there for others?
- What tools are helping you be equipped to do what God has called you to? How can your group be better equipped?
- How do you share this message with others that they might experience life with people?

Start praying. Be bold and pray with power.

- Ask God to show you how you can better build relationship with people in and out of church.
- Pray for each other, community, church, pastors, and nation.

Start doing. Commit to step out and live it out this week.

- Be personal, be encouraging, and be equipping!!!
