Start talking. Share your experience.

- What is your favorite thanksgiving meal?
- Have you ever been rejected at the table? How did you overcome?

READ: MATTHEW 22:2

Start thinking. Get into the Word.

God has prepared a wedding feast for all His people to partake of. The feast is significant in that God wants to give us the best of the best, hence the ox and fattened cow. He does not want to withhold anything from you. He only wants to fellowship, honor, and bless you.

Unfortunately, there are many things that hinder us from receiving those blessings. As we break down the message, reflect and make changes so that you are able to fully fellowship with God at the table.

Read and discuss how these scriptures apply to the message Isaiah 61:10; 64:6, Ephesians 1:3-6, John 12:32, 1 Timothy 2:4, John 3:16.

Start sharing. Choose a question(s) to create openness.

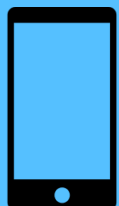

- What are you bringing to the table? (Good and/or bad)
- Have you ever rejected a seat at your families table?
- What keeps you away from drawing near to God's table?
- How are you dressed at the table? (pride, humbleness, offense, bad attitude, etc.)
- As you reflect on the message, what is one principle that stood out as helpful, insightful, or difficult to grasp?
- When thinking outside the church community, how will you help fill the table?

Start praying. Be bold and pray with power.

- Ask God to help you fully accept the invitation to His table.
- Pray for each other, community, church, pastors, and nation.

Start doing. Commit to step out and live it out this week.

- Allow God to reveal His very heart and nature in your life.
