**Start talking.** Share your experience.

- Share the dream you feel like God has given you for your life.

**Start thinking.** Get into the Word.

- Reading Proverbs 29:18. How does having a vision for your life relate to the necessity to dream big?
- How do you continue to believe in the vision God gave you, even when you do not see it taking place at the moment? Read Hebrews 11:1.

**Start sharing.** Choose a question(s) to create openness.

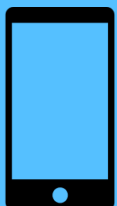

- What makes you different is what makes you special. Share what makes you YOU.
- What insecurities do you have that have made you lose sight of your dream?
- Where do other people fit into your goals and aspirations? Are they a part of your vision or sacrificed for your vision? Where does God fit?

**Start praying.** Be bold and pray with power.

- Ask God to give you God sized dreams to help you achieve them at the right time.
- Pray for each other, pastors, church, and community.

**Start doing.** Commit to step out and live it out this week.

- Dream BIG!
- Have faith.
- Allow God and others to be a part of your vision.
