TALK IT OVER

Start talking. Share your experience.

- Name someone you would love to have at your table and why?

READ: PSALMS 23:5-6

Start thinking. Get into the Word.

Sometimes things take our attention from clearing the table. We learned we need to clear the table in order to set in place covenant, fellowship, and honor. Now it is time to set the table. God has set the table for victory in our lives. We need to match our lives with which He prepared. Read and discuss how these scriptures apply to the message. Isaiah 41:10, Phillipians 4:4-7, Isaiah 59:19, and 2 Timothy 2:20.

Start sharing. Choose a question(s) to create openness.

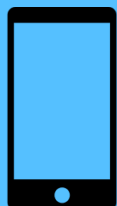

- As you reflect on the message, what is one principle that stood out as helpful, insightful, or difficult to grasp?
- What elements did we learn God prepares on the table for us?
- Knowing what Christ has prepared, Why then do we have a tendency to walk around defeated?
- What battles are distancing you or have distanced you from Christ? Â What are you lying down to prepare your table for victory?
- How can you help others have a growing awareness of God and the victory He gives?

Start praying. Be bold and pray with power.

- You are more than a conqueror. Ask God to help you live that out.
- Pray for each other, community, church, pastors, and nation.

Start doing. Commit to step out and live it out this week.

- **YOU** are victorious. **EAT** like it.
