**Start talking.** Share your experience.

- Share what God is doing in your life right now.

**READ: EPHESIANS 3:16-21; 1:19-23**

**Start thinking.** Get into the Word.

Our second pillar in Experience Life is with POWER. God has already given us the power that flows in, through, and out of our lives to fulfill His purpose, but we have to walk in it. Therefore, It is so important to understand the type of power He has given us and how to keep from power outages. We were given three ways to help us live powerful lives in Christ--through worship, prayer, and the Holy Spirit.

- Read and discuss how these scriptures apply to the message. John 3:30, Romans 12:1-2, Romans 8:11, Romans 8:26, Jeremiah 33:3, John 14:26.

**Start sharing.** Choose a question(s) to create openness.

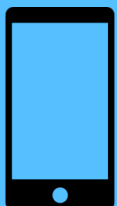

- There are 3 definitions to power: Dunamis (Miracle working power), Kratos (mighty power), and exisia (Freedom to operate in power). How do these work together according to our main passage?
- As you reflect on the message, what is one principle that stood out as helpful, insightful, or difficult to grasp?
- Where do you feel you are lacking pertaining to the tools we have been given to walk in God's power?
- How do you spend your time in worship and prayer? How has it helped you along your journey?
- How do you share this message with others so that they might stay grounded in faith and experience God's power?

**Start praying.** Be bold and pray with power.

- Stay grounded in Christ, walking in His power.
- Pray for each other, community, church, pastors, and nation.

**Start doing.** Commit to step out and live it out this week.

- Yield to God and allow Him to be your power source.
